Mental Health Supports, Tallaght and Clondalkin

Resilience Project,
South Dublin County Partnership

A heartfelt thanks to our funders
HSE, TUSLA, SDCC, SDCP and the
communities who contributed to this directory

Dear Reader,

The map of Mental Health services in Clondalkin and Tallaght was developed to provide this *Directory of organisations involved in providing mental health/ suicide prevention / and critical incidents supports relating to suicide, in West Tallaght and North Clondalkin.*

The directory was collated to support Objective 3 of the Resilience Project and Strategic Goals 1.2 and 2.2 of the Connecting for Life strategy.

- ***Objective 3 Using existing resources where possible, undertake a mapping exercise which will identify all of the active organisations and players involved in mental health/ suicide prevention / and critical incidents relating to suicide, in the designated areas.***
- ***Goal 1.2 Increase awareness of suicide prevention and mental health services***
- ***Goal 2.2 Ensure accurate information and guidance on effective suicide prevention is provided for community based organisations***

Each of the organisations listed provide services which fall within one or more of the categories: mental health, suicide prevention and critical incidents relating to suicide.

We have endeavoured to provide an up to date listing of these organizations as of September 2020. Organisations are encouraged to notify us of changes or additions to the listing. We will update the website listing on a monthly basis until January 2021.

How to use the directory:

- i. Two maps West Tallaght and North Clondalkin outline where the local services are located.***
- ii. A list of services operating 24/7 is shown for immediate access.***
- iii. An index of the local services is listed in geographical areas and category of service.***
- iv. Each entry has an explanation of the service and how to contact them.***

We hope you find this directory useful.

Stay safe.

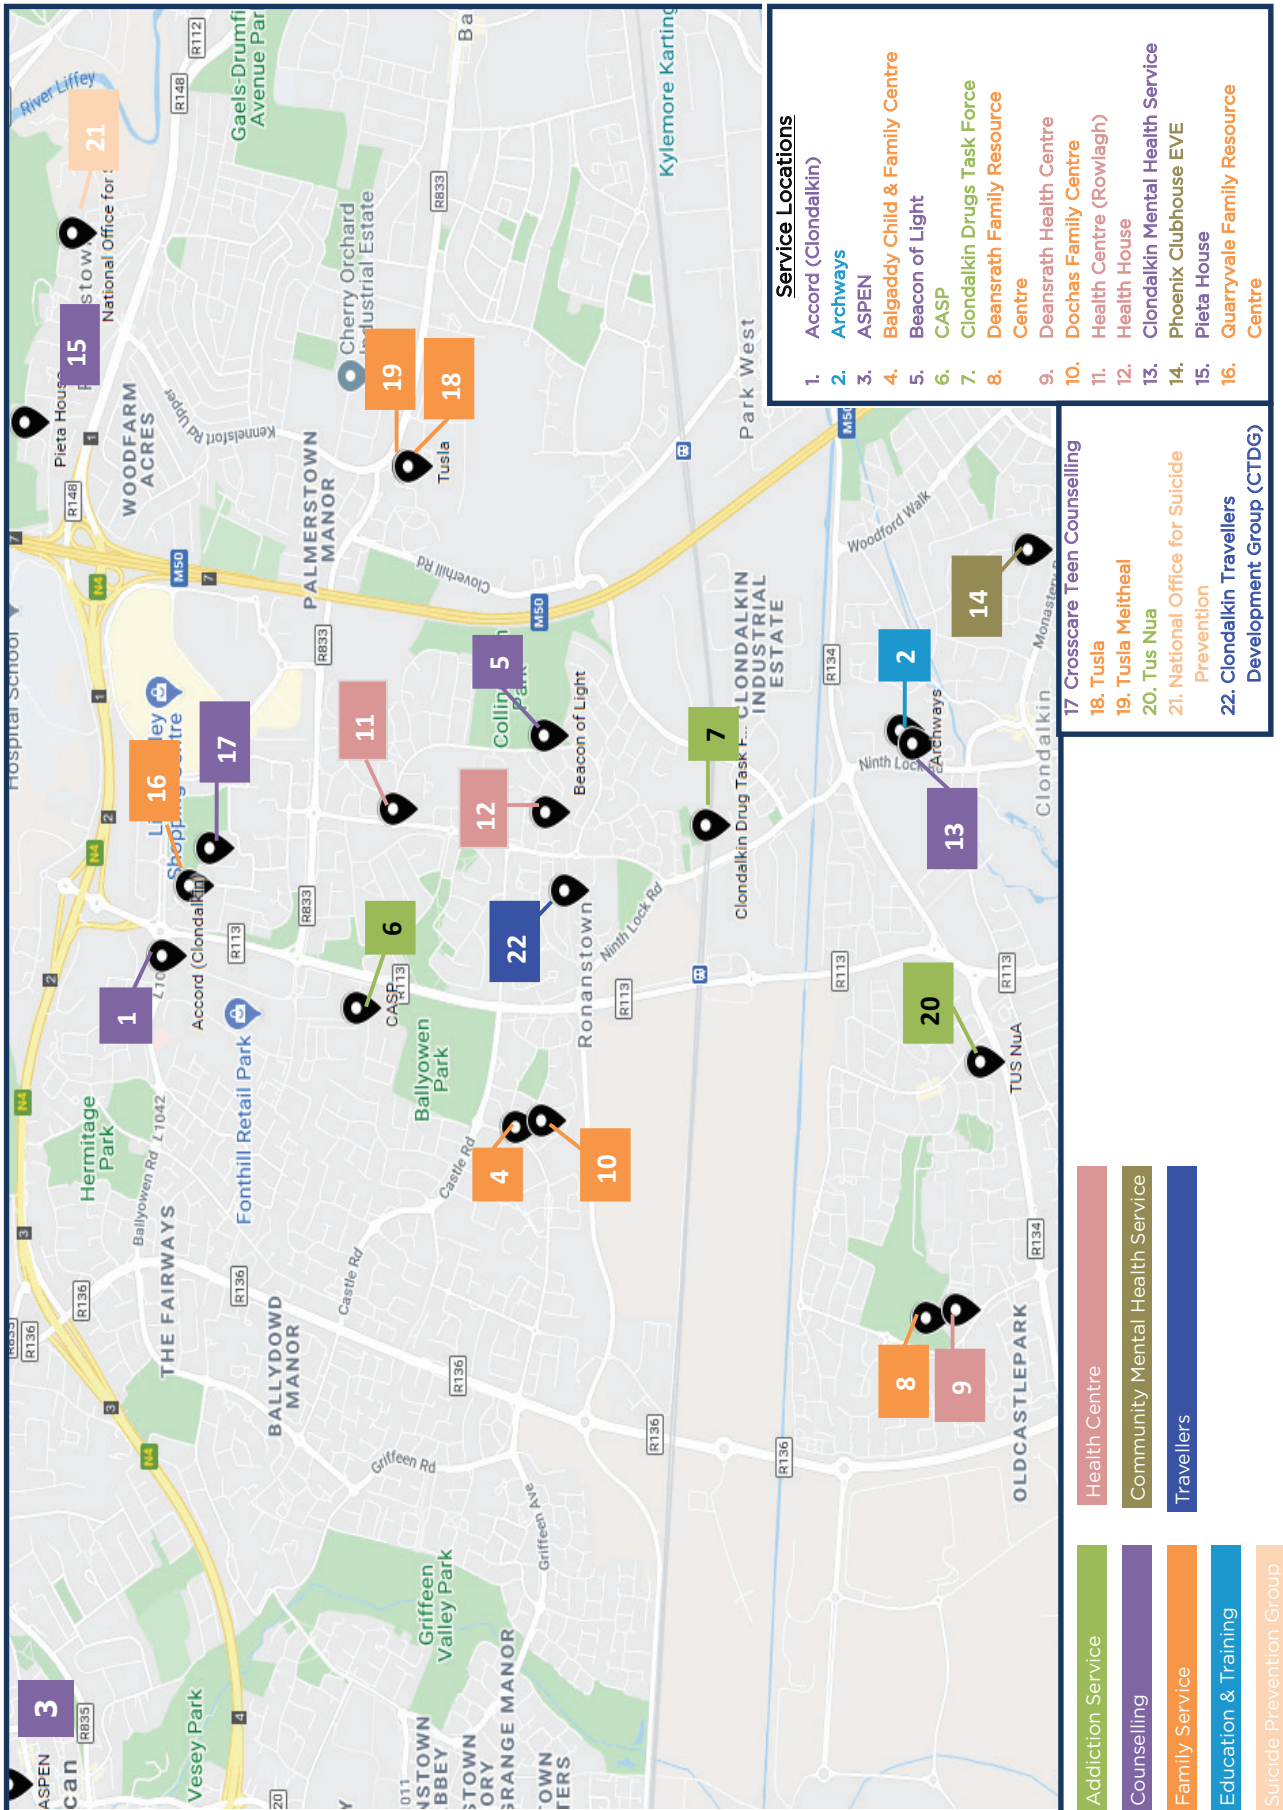

Best wishes

***Sylvia Mooney
Manager
Resilience Project***
