

# Clondalkin Cares Food Bank

**Are you experiencing food poverty?  
Do you struggle to buy enough food?**

Food poverty is a reality for many households. Because of the Covid-19 pandemic many people have lost income, and many are also experiencing higher bills than normal. **Clondalkin Cares Food Bank** is a community-initiative supporting people in the Clondalkin, Lucan and Palmerstown areas who are struggling financially. A couple of times a month we give out food support to anyone who needs it.

**If you need us please do not hesitate to contact us**
