

TO SUPPORT CHILDREN TOWARDS POSITIVE BEHAVIOURS
20th October 2021, 7.30-9.30pm.

Suitable for any parent/carer loving and caring for a child with a
diagnoses, complex challenging behaviours, awaiting an
Assessment of Needs or awaiting a diagnoses
Taking place via ZOOM

Behavioural Specialist Amy Walsh, shares knowledge, experience and
behaviour strategies to help parents to support their children during
challenging behaviours.

This workshop offers

- a safe non- judgemental online platform
- a learning environment to discover what drives your child's behaviours
- possible strategies to promote more positive behaviours at home
- suitable for any parent/carer seeking support with their child's behaviour

For more information please contact Louise Quinn on lquinn@archways.ie
